58 L. Basket with moulded handles, Black

Item no.: 25.158.05

We are pleased to introduce our newest product in line;

The 58 L. Basket with moulded handles.

We are very proud of the test results and we believe that this Basket will achieve success in the market and we believe that it probably will be the strongest Plastic Basket in the world for primarily use in the fishing industry.

The most important newest parameters are; Size, Colour and Bottom.

The 58 L. plastic basket is excellent for handling of Fish and Shellfish, especially Shrimps, Prawns and Lobsters.

This 58 L. basket has been developed with strong moulded handles, reinforced ribs under the top edge for stability at stacking and avoid jam and the bottom is improved with better outflow.

The basket is designed for hard use and is produced in PELLD which makes it very soft, high-impact and able to withstand all kind of weather.

Moulded handles.

The bottom has been improved with better outflow.

Ribs under the edge for stability at stacking and to avoid jam.

Capacity: 100 kg / 220,5 lbs.

PELLD is resistant to most of acids and bases.

The baskets are produced in material approved for food contact.
