Declaration of compliance

Basket, Red

Item no.: 25.044.39

The basket has with success been used in the fishing industry for more than 25 years, and now also is used in agriculture and in households.

The basket is designed for hard use and is produced in PELD which makes it very soft, high-impact and stand up to all weathers.

The handles are produced in Nylon which makes them strong and pleasant to grip.

PELD is resistant to most of acids and bases.

The baskets are produced in material approved for food contact.

Standard colours are Black, Grey, Orange, Blue, Green and red.

Other colours than standard according to quotation.
