

MÖGLICHERWEISE STÄRKSTEN PLASTIKKORB DER WELT

FOOD APPROVED MATERIAL

Our plastic baskets are for use in the fishing industry, in the agriculture and in the gardening therefore all our baskets are produced in food approved material.

QUALITY

We have focus on quality. We work continually to develop and improve all our products so that they remain in the best possible quality. We have developed probably the world's strongest plastic basket

EXPERIENCE

One of our greatest strengths is our experience. We have more than 40 years of experience in the manufacture of plastic baskets, as well as broad experience in general within injection molding with PELLD material.
